

▶ Automatic start/stop mechanism using infrared sensor

▶ Rotating air outlet nozzle

- Power load: 2,3 kW | 230 V | 50 Hz
- Digital display: No
- Design: Wall-mounting
- Air output: 58 litres / sec.
- Start/Stop automatic via infrared sensor: Yes
- Properties: Air outlet nozzle, rotating
Automatic stop when hands are removed
- Including: Attachment material
- Drying time max.: Approx. 60 seconds
- Air temperature: Approx. 60 °C
- Material: Stainless steel
Mirror polished
- Important information: -
- Colour: Silver
- ON/OFF switch: No
- Size: W 260 x D 235 x H 210 mm
- Weight: 4.8 kg
