

PRODUCT

SE 255 · 325 STORAGE FREEZER

The SE series consist of 2 eco-friendly and energy efficient chest freezer units in energy class A++ with spacious, stackable baskets allowing organized storage. The built-in Super Freeze function is used for rapid freezing of large amounts of food. A control panel with optional angled digital thermometer easens temperature reading. The partition wall for the freezing compartment also functions as a tray for collecting water from thawing ice.
